SWING AWAY MOUNTING SYSTEMS

- Takes minutes to install
- Designed and manufactured in Australia by BOS
- Durable, quality components built to last

350-001 BOS Swing Away Bracket 60mm

- Suitable for a 60mm diameter jockey.
Note: the clamp can open and close so you can adjust your jockey position when needed
- Can be used with a 50mm diameter jockey by adding the 010-029 BOS Clamp Insert Set
- Locate your jockey wheel anywhere on the outside of your frame without drilling or welding
- Suitable for use on 75/100/125/150mmH x 50mmW RHS (for wider RHS order longer bolts)
- Includes bolt-on wheel mount 350-002, providing for wheel storage when under tow
- Bearing housing at pivot point provides smoother operation
- Reinforced to minimize the flex usually associated with swing away brackets
- Patented BOS push/pull handle makes releasing the swivel action easy
- Optional: replace the clamp closure handle with BOS security screw

350-002 Wheel Mount

- Allows and BOS Wheel to be stored on draw bar
- Attach your wheel using the included Quick Release Pin or your own padlock for extra security
- Included as standard with 350-001 or you can mount separately using 350-004 or 350-005
- Choice of wheel direction
